

MINISTER OF FOREIGN AFFAIRS

Mr. Milan Zver
Member of the European Parliament
EPP

Jerusalem, September 25, 2025

Dear Milan Zver,

I am writing to you to convey my sincere appreciation for your decision to vote against the resolution "Gaza at Breaking Point: EU Action to Combat Famine and the Urgent Need to Release Hostages and Move Towards a Two-State Solution".

At this critical time, the State of Israel is fighting an existential war on several fronts while also facing misinformation and a demonization campaign. Your support is both morally correct and meaningful, and thus greatly valued. Your decision not to align with a text that, in our view, presented an imbalanced and distorted narrative regarding Israel-reflecting political weakness and yielding to pressure at Israel's expense-makes your support of particular significance and has been duly noted.

Your principled stance in opposing this resolution reflects a commitment to justice and moral values. Such integrity and political compass are truly commendable. I am certain that these values will guide your future decisions as well.

Thank you once again for your steadfastness and conviction on this matter.

sincerely,

Gideon Sa'ar
Minister of Foreign Affairs
